

BLASTERALLS

PROTECTIVE BLASTING SUIT

DESCRIPTION

Designed by blasters for blasters. Tough and durable nylon construction offers excellent body protection while abrasive blasting.

KEY FEATURES AND BENEFITS

NYLON/COTTON CONSTRUCTION

Protects frontal body areas against abrasive ricochet when blasting while allowing good breathability for the operator.

OPERATOR FRIENDLY

Boot and hand loops keep the arms and legs of the suit securely in place.

CONVENIENT

Large interior pockets make it easy to store your daily supplies within reach.

Note: When wearing over clothes, it may be necessary to use the next larger size.
