

# AirGuard

## Portable Air Quality Box

7" Backlit Color Display

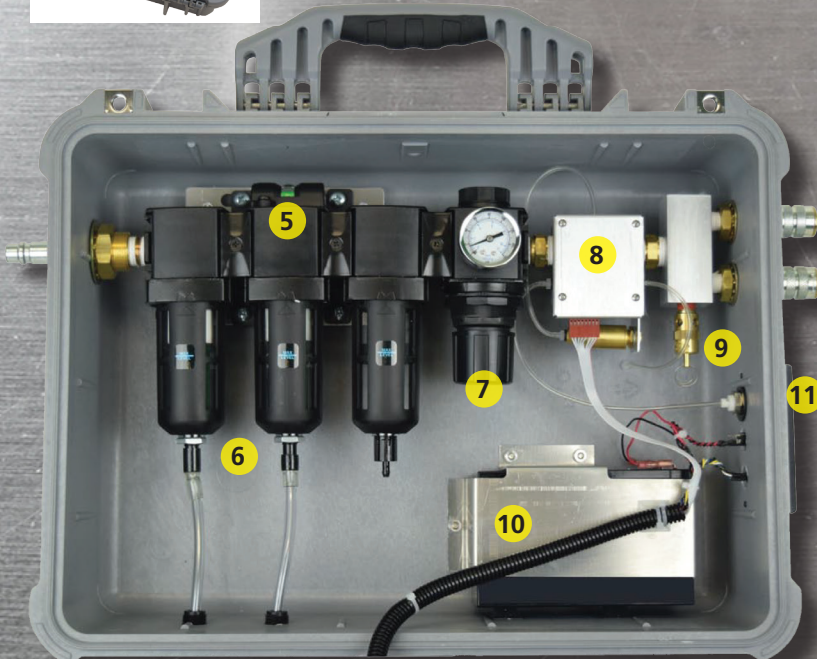

### Bullard AirGuard Highlights

Bullard AirGuard takes monitoring your breathing air into the 21st Century with its extra-large 7" color LCD screen. Now you can clearly see the status and quality of your breathing air. Workers love its battery operated function making it portable and convenient for any job, anywhere.

Its three stage filtration system and CO monitor ensure safe and purified breathing air. With step by step calibration instructions and data logging at your fingertips, the Bullard AirGuard takes the worry out of staying OSHA compliant. Meets OSHA/NIOSH point of attachment requirements.

### AirGuard Features

11. External quick connect calibration port

# AirGuard Air Quality Systems

Available in 4 sizes: 1, 2, 4, and 8 outlets

## Assemblies

|                 |  |
|-----------------|--|
| <b>AGD15HA</b>  | 1 Worker, 15CFM with Hansen/Industrial Interchange Coupling  |
| <b>AGD30HA</b>  | 2 Worker, 30CFM with Hansen/Industrial Interchange Coupling  |
| <b>AGD50HA</b>  | 4 Worker, 50CFM with Hansen/Industrial Interchange Coupling  |
| <b>AGD100HA</b> | 8 Worker, 100CFM with Hansen/Industrial Interchange Coupling |

## Remote Alarm

|                   |  |
|-------------------|--|
| <b>AGDRA</b>      | Remote Alarm for AirGuard. Includes 100ft of cable |
| <b>AGDRACABLE</b> | Remote Alarm Cable Extensions / replacement (50ft) |

## Calibration Kit

|                  |   |
|------------------|---|
| <b>AGDCK</b>     | Calibration Kit with Case, Regulator, Tubing, Quick Connector, 10PPM Cylinder and Zero Air Cylinder |
| <b>AGDREGTB</b>  | Replacement regulator tubing w/ quick connector   |
| <b>AGDCALREG</b> | Regulator and regulator tubing w/ quick connect for <b>AGDCK</b>                                    |

## Replacement Parts

|                      |  |
|----------------------|--|
| <b>AGD15FK</b>       | 15CFM Filter Element Kit for all 3 stages of filtration            |
| <b>AGD30FK</b>       | 30CFM Filter Element Kit for all 3 stages of filtration            |
| <b>AGD50AND100FK</b> | 50CFM and 100CFM Filter Element Kit for all 3 stages of filtration |
| <b>AGDBAT</b>        | AirGuard Replacement Battery                                       |
| <b>AGDCOS</b>        | AirGuard Replacement CO Sensor                                     |
| <b>AGDLC</b>         | AirGuard Screen Lens Covers (5 pack)                               |
