

1004-HC WRIST-EZ

Repairable Electric Deadman Control Switch

Designed + Manufactured in the USA

July 2018

Highlights

Brilliantly designed specifically for abrasive blasting, the 2-WIRE or 3-WIRE ELECTRIC DEADMAN CONTROL is preferred by contractors worldwide for blasting large open spaces such as tank shells/floors and ship hulls.

The 1004-HC Wrist-EZ – Repairable Electric Deadman Control is the most ergonomic, comfortable and safe Deadman control on the market.
